Become A Sponsor

Kamp Kiwanis is a very special place for children. Every year over 300 children and youth attend a fun filled multi-day overnight camping experience in a positive, and active outdoor environment. This experience has been made possible by Kamp Kiwanis and our generous donors every summer since 1951, providing a full 100% subsidy for every 9-12 year old child who attends Kamp Kiwanis. Kamp Kiwanis also provides Outdoor School Programs and subsidizes up to 10% of these programs so that cost is not a barrier to participation for students.

OUR VISION

OUR MISSION

Testimonials

Thanks to Kamp Kiwanis I travelled the right path and have a future. Words cannot express how Kamp has had a profound impact on my life! I was camper, staff, and now an alumni. At Kamp I discovered who I am and the unlimited dreams that can become reality. I learned to believe in myself. I discovered life long friendships that support one another through good and dark times. I discovered my passion for the outdoors and working with kids. Without Kamp, I'd be lost. **Heather**

Thanks to Kamp Kiwanis I met some of the most supportive people in the world to help me on my journey of self acceptance. I probably would have have a much more turbulent and less supportive coming out story if Kamp Kiwanis did not exist. I wouldn't have learned my passion for influencing young lives for the better. **Josh**

I loved Kamp Kiwanis so much, it has become part of my life and a home for me. I made lots of friends and memories at Kamp Kiwanis. In my opinion Kamp is the best place on earth and it's a great place to be. I love Kamp so much. The counsellors make you feel welcome and feel at home. I will never forget Kamp, the people I have met and the memories I have made. **Camper**

One of my favourite childhood memories. I would send my kids there in a heartbeat!

The staff was amazing. This was my son's first time attending camp. And they were all above and beyond amazing. ♥♥ **Parent**

Thanks to Kamp Kiwanis I am a better person who has discovered a passion for working with youths, and I have learned to live lightly on the earth! Kamp Kiwanis was a major turning point in my life! In fact, it represents the biggest turning point of my life and set me on the path of being a teacher. Without it, I don't want to think of where I might be. I was in a dark place when I decided to go for broke, travel across the country from New Brunswick, and work at Kamp! First time away from home, making friends, finding out what I was capable of. I have made friendships and had experiences that will last a lifetime! **Paul**

Thanks to Kamp Kiwanis for starting my journey as a leader. I was gifted a trip to the leadership camp in 1998 and from there was a LITE, and then a maintenance person, a counsellor and a board member. Kamp initiated my relationship with nature, with other incredible leaders and my relationship with service work for children and youth. I successfully manage programs for a nonprofit today where I continue to use the concepts and teachings gifted to me around the fire, through experience and through sharing space...all at KK!! **Jody**
