

New Adventures

September was a busy month for Kamp Kiwanis, as we packed up the site and so our usual September Issue of the Wood Kookie was postponed until October.

We are excited that Kamp Kiwanis has purchased a new property located an hour's drive away from NW Calgary between Cremona and Sundre, Alberta. (See Peanut Gallery Photos!) We are in the early stages of planning and development for the new site and look forward to the incredible opportunities for continuing the Kamp Kiwanis legacy of "sharing the outdoor experience."

Fall 2022 Outdoor School Programs will be taking place at Easter Seals AB Camp Horizon, just west of Bragg Creek. Staff training began October 3, with programs beginning on October 11th. Spring 2023 Outdoor School Programs will also take place at an alternative site, with location to be confirmed.

Summer 2023 Camp Programs will either take place at the new location or an alternative site if the new site is not ready to host camps.

Many Thanks to Summer Staff 2022

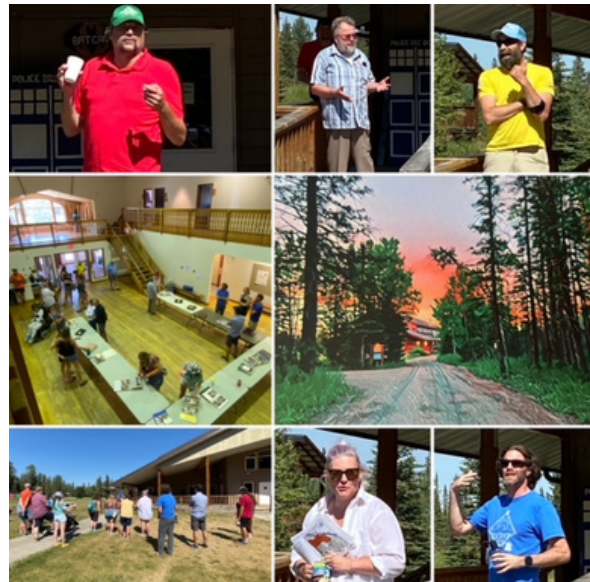

We had a "Dino-mite" team of staff this summer, our last summer at the original site! We want to say a huge thank you to the team for all the time and energy they dedicated to make this summer a memorable and fun experience for all attending campers!

Kamp Kiwanis Farewell

On August 14th we held an open house and short program to celebrate 71 years of magic made at Kamp Kiwanis and to give people an opportunity to visit the site one last time. Thank you so much to all of our speakers and guests who attended.

If you did not get the opportunity to attend, you can still participate in some special memory projects. Comment on our Instagram Posts @kampkiwanis or contact us at community@kampkiwanis.ca for more information.
