

## Fall 2022

We really enjoying having the beautiful site at Easter Seals Camp Horizon, just west of Bragg Creek, to run our Fall Outdoor School Programs at. We welcomed 6 different schools and 229 students in October and November for Fall Outdoor School. We were fortunate to have wonderful Fall weather and just a little bit of nice wintery weather at the end.

### Some testimonials from schools this Fall:

"Thanks for a tremendous experience! So good to be back at overnight camp."

"We appreciate your ability to run ALL of our programs on the new site. Your level of flexibility and expertise is outstanding!"

"Please thank the kitchen for the delicious food and for accommodating our dietary needs."

"Maple was amazing! She was so great with all the children in the activities. All other elements were also great. Thank you so much!"

## Many Thanks

Kamp Kiwanis is grateful to have received a donation of \$10,000 from The Prosser Fund through the Calgary Foundation. This donation will greatly support summer camp experiences for children in Calgary and Area, including funding meals, accommodations, programming and equipment. We know that the campers, families, staff and volunteers who are directly impacted by your support appreciate your kindness.

# Giving Tuesday 2022

Giving Tuesday is a global movement for giving and volunteering, taking place each year after Black Friday. The "Opening day of the giving season," it's a time when charities, companies and individuals join together and rally for favourite causes.

We want to say a huge thank you to everyone who donated to Kamp Kiwanis in the spirit of Giving Tuesday and those who give donations and their time throughout the year to make Kamp Kiwanis a special place for children and youth to have fun, be safe and nurture growth! In the week leading up to Giving Tuesday we received over \$1,800 in donations through Canada Helps.

It's never too late to donate! Kamp Kiwanis accepts donations year round at <https://www.kampkiwanis.ca/donate-now>

Your support will help us to continue to deliver programs as we build our new camp.

There is no exercise better for the heart than reaching down and lifting people up.
