

Summer 2020 Programs

As overnight summer camp programs were unable to take place due to the COVID-19 Pandemic we ventured into day camp style programming this year for gr.4-6 summer camp and gr. 7-12 leadership programs. With an amazing summer staff team of 10, we implemented new protocols and new routines to help keep everyone safer, while still creating the fun outdoor experiences for kids that might not otherwise have an opportunity to attend summer camp. We ran 6 weeks of day camps and 3 over-lapping weeks of online programs for those unable to attend onsite. We had 43 youth participate in online programs and 160 participate in day camps and leadership programs. We were glad to bring some much needed programming to all of these youth this summer and look forward to bringing back overnight programs in 2021 or when possible.

Fall Programs

2020 continues to challenge us to think outside the box and diversify our programs. While we cannot run our regular overnight outdoor school programs this fall, we are looking for opportunities to bring outdoor school programming to schools. We will also be running some new programs this fall for the community:

FREE Active Living Programs

- Family Days (all ages)
- Youth Days (Grades 4-8)

Youth Leadership Programs - Achieving Community Together (ACT)

- ACT 1 (Grades 9-10)
- ACT 2 (Grades 11-12)

Family Active Living Days are designed for all ages to come out to Kamp Kiwanis to enjoy the natural outdoor setting and engage in activities such as archery, canoeing, crafts, nature walks and orienteering.

Youth Active Living Days are an opportunity for students in grades 4-8 to come out to Kamp Kiwanis. Activities may include archery, campfire, camp games, canoeing, crafts, nature walks, orienteering and team-building.

The **Achieving Community Together (ACT) Program** is designed for youth who are looking to build their leadership capacity, engage in meaningful service work, and practice their outdoor skills. ACT will be split into two sections: ACT 1 for grades 9-10 and ACT 2 for grades 11-12.

All programs require pre-registration. For more information, check out our website.
