5th Annual Kiwanis Apple Festival

2019 marked the 5th year for the Kiwanis Apple Festival at Kamp Kiwanis. The annual September event has been a great opportunity for families and organizations in the area to come and enjoy the natural area of Kamp Kiwanis and festivities and to increase awareness of the services that Kamp Kiwanis provides for children. Families can participate in unique activities such as old-fashioned juice pressing, apple baking, tethered hot air balloon rides, archery and Farmers Market. This year we hosted 17 vendors & organizations and had 9 different local singers and bands share their music. Over 2200 visitors attended the festival and enjoyed almost summer like weather. Our net revenue was over \$10,000 in support of Kamp Kiwanis. We are grateful for the 18 staff and 95 volunteers who without we could not have put on such a successful event, including Kamp Kiwanis Alumni, Kiwanis Clubs Members, Picture Perfect Cleaning Company Staff, Banded Peak School Students and friends and family of all of the fore-mentioned groups.

Save the dates for our 6th Annual Kiwanis Apple Festival: September 26 & 27, 2020.

Christmas Tree Decorating at the CORE Shopping Centre

On November 28th, a group of volunteers went down to the CORE Shopping Centre to decorate a couple of trees donated by Canadian Tire. The themes of our trees were Kamp Kiwanis and Kiwanis Apple Festival. These trees will remain on display at the CORE until mid-December after which they will be donated to families in need through The Magic of Christmas Charity.
